The Middle District Baptist Association recently hosted a pastor's lunch and learn where we discussed the importance of discipleship. In that meeting I was reminded of a quote by pastor/author Mike Breen that I'd forgotten. Breen wrote an article some time ago with a shocking title, "Why the Missional Church Will Fail." In it he says, "There is a reason so many movements in the Western Church have failed in the past century: They are a car without an engine. A missional Church is the new car everyone is talking about right now, but no matter how beautiful or shiny the vehicle, without an engine, it won't go anywhere. So what is the engine of the Church? Discipleship. I've said it many times: If you make disciples, you will always get the Church. But if you try to build the Church, you will rarely get disciples. If you disciple people well, you will always get the Church. Always."

The part of the quote that I'd forgotten was, "If you make disciples, you will always get the church." That quote was jarring to me because, as a pastor, it is so easy to focus on growing the church numerically. When I heard that quote from Mike Breen, I knew I needed to repent, to change direction. Fortunately, the Lord was already way ahead of me, as usual! The Lord has already put a Discipleship Team into place; it is one of the many wonderful things that has emerged from our Vision process. I began to pray for this team months ago and Delia Loving kept coming to mind as someone to ask to be on the team. Delia has a heart for discipleship so we arranged to meet. At that same time, Delia's husband, Henry, went to a conference for all the owners of Lee's Chicken franchises. Henry returned from the conference the day before Delia and I were to meet. The next morning Delia asked Henry how the conference went and he said he met a couple who were helping their church with discipleship. They gave Henry a card and told Henry, "If your church needs help with discipleship please let us know." Henry gave that card to Delia on the very morning we were to meet. I believe this is the working of the Holy Spirit! Delia began to research their program and was impressed, so we met with the leadership of that church over Zoom. We learned about the "Discipling Another" program. This is a scriptural and prayer based, one-on-one experience where the "Discipler" and the "Disciple" work through a book that covers the fundamentals of our faith. The meetings take place once a week over the course of ten weeks and the meetings are

at a time that is convenient for both individuals. At the end of ten weeks, the hope is both the "Discipler" and the "Disciple" will agree to another tool to help me repent. I recently met with another pastor and he led me to two books which have re-focused my attention to what should be every Christian's life goal: Growing in Christlikeness. The two books are both by John Mark Comer and they are entitled, "Practicing the Way," and "The Ruthless Elimination of Hurry." Both books are VERY practical in that they offer various ways to order our lives around the life and teaching of Jesus. Comer picks up on an old monastic tradition where disciples of Jesus are encouraged to thoughtfully create a "Rule of Life." A Rule of Life is way of ordering our lives around the spiritual practices that Jesus actually did and that He encouraged His disciples to do. There are nine practices outlined in Comer's books. These nine are Sabbath, Prayer, Fasting, Solitude, Scripture, Community, Simplicity, Generosity and Hospitality. I'm still working on creating my own "Rule of Life," and thinking through how I might incorporate all nine of these practices. Please note, incorporating these practices into our lives usually means eliminating some unhelpful practices, like bingeing Netflix, or scrolling mindlessly on our phones, so that we can incorporate these life giving Jesus practices.

I share all of this with you for two reasons: First, I want to invite you to please join us on this discipleship journey. We're going to kick off another round of the "Discipling Another" partnerships early next year. Join us! Our goal is for everyone at Bethel to participate. Second, take some time and read through Comer's two books. Then, work on creating your own "Rule of Life." I hope to offer classes on these two books next year; so stay tuned. The Lord is really working on me to make discipleship the "engine that fuels Bethel." I wonder what Bethel can become if discipleship was our main focus? What if we each had a Rule of Life that helped us to practice how Jesus lived so that we can live like Jesus? I bet we'd have an abundance of fresh fruit of the spirit: Love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. May God lead and bless us as we work towards our vision of Knowing, Growing and Going in the Love of Christ. Amen.

With love... Todd

Many Thanks

Dear Bethel Family,

Thank you to everyone for your phone calls, cards and prayers during this very difficult time of the loss of Steve's father. Thank you, Pastor Todd, for coming to spend time with the family and for your very special prayer. Everyone's kindness and support have meant so much to us. We are so blessed to be part of Bethel's loving family.

Love and Blessings—Steve and Donna Lewis

I want to say a heartfelt word of thanks and appreciation for the beautiful card and generous gift card that the church gave us for Pastor Appreciation Month. I continue to be very grateful for each of you and to the Lord for calling us to minister here at Bethel. I still cannot believe we've been here for over 11 years. Wow! Where has the time gone? It's been a wonderful journey for us, thank you again! May God continue to bless each one of us and bless Bethel Baptist Church.

-Todd and Karen

The Hope for Appalachia Coat, Hat, and Gloves drive as well as the PK & Kindergarten Backpack drive has concluded. Thanks to the generosity of the Bethel family, 34 backpacks with all the supplies needed to start a successful school year were donated along with many winter coats, hats and gloves. It was such a blessing to provide for these children and we are thankful for all the support given to the project.

Yard Sale Results!

The Community Engagement Team's yard sale on October 5 was a wonderful success thanks to many hands and many donations. In addition to making \$1,740, clothes were donated to the Clothes Cottage and a family who lost everything in a fire received much needed items to help them get back on their feet!

The team was truly amazed at the number of volunteers that came out and worked really hard for the sale. Bethel always shows up! Though it was hard work, it was also fun working together and getting to know people better!

Going forward the team plans to help three pantry families through the holidays. More information on this project will be shared soon.

The deadline for the December Outreach is November 11. All articles, thank you notes, ministry information and other items should be dropped off in the church office or emailed to karnold@bbc1817.org before November 11. Please also include any changes to schedules due to the holidays. Thank you for your help!

Youth Friendsgiving!

The youth will gather for a special Friendsgiving Celebration in November. Make sure you have signed up for the youth updates so you don't miss anything! More details will be sent out soon!

Notes from the Parish Nurse

November is National Diabetes Month

For additional information follow this link: <https://diabetes.org>. I will also have some print outs at the nurse desk.

Thanksgiving is almost here and it's a wonderful time to count our blessings. A way to change things up this Thanksgiving can be to start new traditions such as:

- Invite a neighbor or co-worker to dinner.
- Watch classic Thanksgiving or Christmas movies.
- Help out sometime this month in a food pantry or animal shelter.
- Set up a "Thanksgiving tree" where your guests write a favorite Thanksgiving memory or what they are grateful for on a notecard. Share the cards while enjoying dessert.
- Host a Christmas ornament exchange. Guests bring a wrapped ornament to exchange - old or new, and take an ornament when they leave.

1 John 4:7 "Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God." (KJV)

May you all have a blessed Thanksgiving. Stay well.

Veterans Day

**Happy Veterans Day.
We honor all
who have served.**

Veterans Day Trivia
Courtesy of AARP

**New York City has the
Oldest Veterans Parade
in the Country**

The New York City Veterans Day Parade takes place along Fifth Avenue. It is both the largest and oldest Veterans Day parade in the country. The first one was held in 1919.

Veterans Day was originally called Armistice Day

Hostilities in World War I ended at the 11th hour of the 11th day of the 11th month of 1918 when the Armistice, or peace agreement, with Germany went into effect. Armistice Day began as a celebration recognizing the victory of the allied forces of WWI. It was renamed Veterans Day by President Dwight Eisenhower in 1954 and is now dedicated to veterans of all wars.

Other Countries also Honor Their Veterans

Canada and Australia honor their country's military personnel on Nov. 11. but they call it Remembrance Day. The United Kingdom marks Remembrance Day on the second Sunday of November.

Ways to Thank a Veteran

- Express gratitude with a simple thank you.
- Write a note and send it to a VA Office.
- Attend a Veterans Day event.
- Volunteer with a group that works with veterans.
- Donate money to a non-profit group that supports veterans.
- Fly the American flag.
- Send a care package to an active service person.
- Buy a veteran a meal.
- Attend a Veterans Day parade.

Meet Kim Arnold

Please tell us a little bit about yourself, where are you from and tell us about your family.

I was born in Washington DC and raised in Loudoun County. In 2003 I moved to Richmond and shortly thereafter met my now husband, Michael. We were married in 2010 at Bon Air United Methodist Church and I went from living by myself to living with three guys (my husband and two young stepsons, Preston and Alex). It was an interesting adjustment for all of us!

I spent 16 years at Maymont as the Director of Special Events and enjoyed the next three and a half years as the Director of Operations for a local Lutheran church. I am Godmother to seven girls and Michael and I have hosted six foreign exchange students over the last ten years. We will become "American Grandparents" in January when our 2016-2017 exchange daughter from the Netherlands has a baby girl.

What hobbies/interests do you enjoy?

Having spent the vast majority of my professional and personal life creating, planning and implementing events and tradeshow for 2 to 75,000 people; I find great joy in planning events for friends and family and am lovingly referred to as the cruise director by those closest to me. Most recently my brother and I hosted a 60th Wedding Anniversary party for our parents, complete with a life sized foam core cut out of them from their wedding day. I love planning surprise engagements and themed children's birthday parties, too! I also love holidays and decorating my home for different occasions. Christmas is my favorite time of year. The church services, time with family and friends and the Christmas music are some of my most treasured joys. I have put up and decorated 25 trees at once in our home for Christmas.

I also enjoy other creative outlets such as making Christmas ornaments to exchange and give as gifts, watercolor painting and reading. I am currently writing two children's books.

How did you come to know the Lord?

I was baptized Methodist and raised Baptist. My first real memory of church was attending my Grandmother's Baptist church with her. I was a shy child and I remember being asked to be Mary in the children's nativity. It was such a big honor and I took the role very seriously and memorized my lines at home after church, during lunch, for rehearsal later the same day. The adult who asked me to be Mary never knew what an impact she had on me and my lifelong connection to the church.

I want to thank the Lord for sending Kim to us. I pray that her ministry at Bethel will be long, fruitful and joyous for both her and our Bethel Church family. Welcome to Bethel, Kim and May God bless you!

-Todd

Preschool News

October was such a busy and fun month at our preschool! We attended our fall field trip to Lloyd Family Farms where we rode tractors, played in a hay fort, went through corn mazes, hung out with farm animals, and picked pumpkins. Firefighters from Station 4 in Midlothian visited our preschool and gave a fire safety demonstration and our students got to explore the firetruck. We continued our STEAM After School Enrichment Program on Thursdays and our little explorers are having so much fun each week. We also began our Thursday library days with Ms. Cindy, which is always a favorite for students and teachers.

November promises to bring lots more fun and plenty of activities. We will focus on being thankful, kind, and grateful for all our blessings. We will have more STEAM programs, Friendsgiving in our classrooms, and chapel. We will also begin collecting items for the Powhatan Christmas Mother and talk about the importance of being a blessing to others. Our school will be closed on Tuesday, November 5th for Election Day and for the week of Thanksgiving (November 25th-November 29th).

As always, we thank you all for supporting our school and students. We continue to ask for prayers that our students and teachers remain healthy, prayers that our children come to know the love of the Lord, and prayers that we can continue doing what we love to do-teaching these amazing children! -Heather Kerns, Director

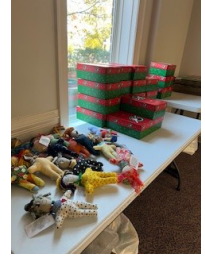

Welcome Linda Downey

Linda Downey is the most recent new member of Bethel Baptist Church. She has been attending as a guest and participates regularly in Sharing and Caring. Please say hello to Linda when you see her. We are so happy to have you as part of the Bethel family, Linda!

Operation Christmas Child Deadline is November 18

Bethel is collecting completed shoe boxes until **Monday, November 18**. Empty boxes are available in the People of Hope Center along with some items you can add to your boxes.

Operation Christmas Child begins with you! From children to seniors, people pack shoebox gifts each year to bless children in need around the world. Long before shoeboxes arrive in more than 100 countries, volunteer National Leadership Teams train pastors and community leaders who want to share the message of the Gospel and bless children. The leaders learn how to host child-friendly outreach events, and in many places, they also offer "The Greatest Gift", a Gospel story booklet Samaritan's Purse developed for shoebox recipients, and invite children to participate in The Greatest Journey discipleship program.

-(Some information taken from www.samaritanspurse.org)

In Concert at Bethel

Graceway will be in concert at Bethel Baptist Church on **Sunday, November 3 at 6:00 pm**.

Graceway's goal is to bring the message of the gospel of Jesus Christ through their music. They want to sing or say something that will encourage and point people to Christ.

They have been blessed to share the gift of Jesus' love with others through music ministry.

Brunswick Stew Nov. 1

The Providers Sunday School Class will be sponsoring a Brunswick Stew making day all day, **Friday, November 1**. The entire church is invited to join us in making the stew. It is always a lot of work but also a lot of fun.

There will be **pick-up from 9 to 11 am on Saturday, November 2 and after church on Sunday, November 3**. If you did not preorder, you can purchase stew on Saturday.

The stew is \$12/quart and the proceeds benefit the Blessing Warriors. Volunteers are welcome and needed especially from 2 pm to midnight. You haven't lived until you have tasted Bethel's Brunswick Stew!
